Summary

A nice little twisted fun...

Just a nice little fidget toy... Easy to print, uses only very little filament...

Important:

- Print both parts separated, not stacked together.
- When printed, it needs a little time to run smooth - that is normal.

Recommended print settings

- Nozzle: 0.4
- Layers: 0.2
- Infill: 0% (yes, 0%)
- Perimeters: 2
