

Paintpal Studio 6th row addon

 **Collin Barker**

[VIEW IN BROWSER](#)

updated 1. 7. 2024 | published 1. 7. 2024

Summary

The regular paintpal studio rack only has 5 rows, this adds a sixth without any weird combinations.

Tags: paintpal

This model is designed to easily add a sixth row to the standard triangle frame of the PaintPal Studio rack. This part clips into the back of the rack and allows for any normal row to be clipped in. It has a hole for 1 17mm bottle.
