[frottage](#)

To learn how to read and write.

Decorative letter Ch to classroom.

Adjust the size as needed.

Print with contrasting colors.

These letters are designed as an aid for frottage creation.

You can also use this letter as a matrix when printing from a height, as in a graphic technique called linocut.

Designed for schools, nurseries, libraries, museums, leisure centers and parents on parental leave.

Teachers knows how to use it.
