### Summary

A simple shelf that fits on the rail of Ikea's children's bunk bed (45mm rail), with optional card holder.

Tags: [ikea](#) [bed](#) [bunk](#) [yoto](#)

I designed a quick shelf and optional card holder for my daughter to listen to her Yoto player on the top bunk. The card holder sits in a slot on the back of the shelf for spare card.

Printed with minimal infill, perimeters, and solid layers to save time.
