[sandingdiscstorage](#)

Inspired by DisKeeper, but designed from the ground up to be a bit a bit taller and have a more robust french cleat.

125mm (5") and a 150mm (6") holders.

Designed to use 2x (each) M2x12mm self-tapping hex screws to connect the cleats to the holders

Designed to use 4x #6 drywall screws to affix the holder to the wall.

This remix is based on

DisKeeper - Modular sanding disk paper storage 125 and 150 mm for wall mount or french cleat
