

## Reverse bowden holder for MKS3/4

Jzuz

[VIEW IN BROWSER](#)

updated 2. 7. 2024 | published 2. 7. 2024

### Summary

Remixed another holder for nicer angle with less bends when using filament dryer

---

[3D Printers](#) > [Prusa Parts & Upgrades](#)

---

just print on the flat side without supports. for installation visit the original.

### This remix is based on

**Prusa MK3 Reverse Bowden Frame Bracket - Remix**

by jepa2019

### Model files
