### Summary

This is a 1:1 replica of the original spool holder if you want to have two Spools at once

---

[3D Printers](#) > [Creality Parts & Upgrades](#)

---

The extra spool holder makes it easier to seamless swap colors in the middle of a print for multicolor prints

Print settings:

I recommend printing it with the settings

---

Infill: 15%

Supports: on (tree supports works best)

Walls: 3 or more
