Summary

A replacement string spool for a Worx string trimmer.

[Household](#) > [Outdoor & Garden](#)

Spool for Worx string trimmers.

Should be compatible with various Worx similar string trimmer models (WG150, WG151, WG152, WG153, WG154, WG155, WG156, WG157, WG160, WG163, WG165, WG175, WG180, etc.)

Worked properly when tested on our trimmer.

Suggested to print in ABS or ASA

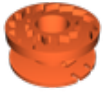

Supports are required. Be sure to select support interface settings that facilitate support removal. Print ratchet side up..

Fusion 360 source & STEP files included

Replacement cap also available on Printables:
