When your adventurers visit an INN or tavern, you'll need some appropriate scatter terrain for your map. These simple square and round tables seat 4 adventurers, and make the perfect decor.

Assembled tables are pictured with a 28mm and 32mm miniature for scale.

This is a supportless print that requires assembly.

Instructions:

- Print table top and legs at .08 or .1mm height.
- Using super glue, attach top to the legs.
