### Summary

Just a quick adapter for Hula anti vibration feet for the Elegoo Neptune 4. I made these for the Neptune 4 Plus.

Just a quick adapter for Hula anti vibration feet for the Elegoo Neptune 4. I made these for the Neptune 4 Plus, so I guess they should fit for all Neptune 4 models.

The feet on my Neptune 4 Plus measure 20x38mm. The rubber feet fit into the adapter, the adapter is press fit into the Hulas center core. Use the center core with the big round hole on top. Works really well.
