Tags: [pegboard](#) [ikeaskadis](#)

Simple and strong little hook.

Updated Feb 16/22

Appreciate everyone's feedback! Version 2 is available below. While still a snug fit, this one doesn't need anywhere near the same amount of force.

Feedback is always welcome. Hoping to have more options available in the near future.

## Model files

**sakdis\_pegboard\_tinyhook\_v2.3mf**

☐ New Version 2 - Snug fit, easier to use.

## skadis\_pegboard\_tinyhook.3mf

📄 Original File - Super tight fit, requires a lot of force.
