Summary

Attaches Tozo PA1 Speaker to the Message Holder of a golf cart

[Sports & Outdoor](#) > [Outdoor Sports](#)

Attaches TOZO PA1 speaker to golf cart menu holder. The specific cart designed on is a Club Car, but I've seen other menu holders mounted to them before. See pictures for this type.

This is overbuilt a little and not very flexible. You need to force the speaker in and it can be a little difficult to remove. The power button is accessible from the side.
