Tags: [spongebob](#) [doodlebob](#)

A model of Doodlebob from Spongebob Squarepants to hold your pencil for you! To get the most authentic looking Doodlebob, you'll need to switch filament a few times, starting with black, switching to white once reaching the start of the teeth layer, then finally back to black once reaching the face. The pockets in the hands have been sized to fit most standard pencils with a bit of added clearance for easy placement and removal.
