Tags: [belttensioner](#) [neptune4pro](#) [neptune4](#) [neptune4plus](#)
[neptune4max](#)

This is a Remix of the original to add support for the commonly used logitech c270 webcam. For installation Instructions see Remix list - Chirimorin original mount.

There is a 4 Pro specific version included.

(jul22,2024) removed untested from title as its verified through comments that its ok now

(Jul20,2024) offset the camera mount to avoid collision with screen
