updated 13. 7. 2024 | published 13. 7. 2024

Summary

Just additionnal feet for the mini turntable.

[3D Printers](#) > [Accessories](#)

Tags: [turntable](#) [revopoint](#) [miraco](#)

I often need to put the miraco on my lightbox edge, so feet were an idea. Here it is.

Printed with add:North black Textura filament, with 0.6 nozzle.

This remix is based on

Revopoint Miraco Turntable adapter
