Summary

A sling holder for a sporter sling.

[Sports & Outdoor](#) > [Indoor Sports](#)

Tags: [olympics](#) [airrifle](#)

This is used to hold the sling for kneeling and prone for sporter Olympic air rifle.

-you will need a safety pin which slides into the top of the model

-I would recommend printing this out of PETG at a very high infill(something like 90

-if printed sideways you will not need supports
