## Summary

270 door hinge for Infimech

---

[3D Printers](#) > [Other Printer Parts & Upgrades](#)

---

Tags: infimech

---

Update 7/14/24

Updated the door latch

- now door has no wobble during print.
- now door latch can snap on the screw, so no need remove whole side panel.

---

Update 7/15/24

Minor improve on the hinge insert nut placement

- looser tolerance, and only 1 pause needed now
