updated 13. 7. 2024 | published 13. 7. 2024

### Summary

A simple drybox to fit a Sterilite 20Qt / 19L crate.

[3D Printers](#) > [Prusa Parts & Upgrades](#)

Tags: [drybox](#) [filament](#) [sterilite](#)

Uses 2x 8mm (5/16in) rods and 16 of the original bearings that came with the Prusa MMU.
