Summary

I made a "Boater Hat" button for my grill.

[Household](#) > [Outdoor & Garden](#)

Tags: [switch](#) [cover](#) [grill](#) [gas](#) [igniter](#)

Mouse ate the rubber igniter switch cover on my gas grill. So I made this "Boater Hat" button.

Fits the igniter on my inexpensive Char-Griller. Probably fits most models.

Print upside down with supports around the hat's brim.
