Summary

Modified Front Wheel Houses for the Injora Headlight Mod for the 3DSets Rancher!

Tags: [3dsets](#) [rancher](#) [injora](#)

I modified the front wheel houses to accommodate space so that I can fit Injora headlights without having to cut into the plastic.

The Injora Headlight mod can be found here: <https://cults3d.com/en/3d-model/game/3dsets-rancher-headlight-mod-for-injora-or-others-headlights>

I recommend supports just to keep the part intact but its up to you. I also recommend 3 perimeters but again its up to you.
