ELEGOO Neptune 3 Pro / 4 Pro feet riser - plus 30mm / 40mm / 50mm Easy print, No support, No extra bolts needed.

Simply print four risers of desired length - included models are +30mm, +40mm, +50mm (resize by Z in slicer if another custom length is needed).

Unscrew two stock bolts from each Elegoo Neptune rubber feet, use them to secure riser to printer frame instead of rubber feet. Then flip rubber feet upside down and snap in attach to the riser - it is designed for very secure fit.

Stock rubber feet are 20mm tall. Riser adapter have extra 6mm length to securely snap over rubber feet without a need of using extra bolts.
