Tags: [masterspool](#) [adapter](#)

Compatible with refills with inner diameter of 100mm and width 60mm (eg. SmartMaterial).

Press-fit installation - There are two holes to install screw inserts, but they don't match the holes in the spool sides.

Print in PETG - Settings are configured in the .3mf file

This remix is based on

Ultimate Prusament to Masterspool adapter with only 43g/14m of filament, easy installation, quick printing and efficient filament attachment !
