A cupholder designed to hold the 30 oz no handle Stanley cup. The depth of the table grasp is 0.675". It fits my wife's 0.625" table with two little cloth inserts. The lower part has an inner diameter of 3.255" and internal depth of 3.125". The top part has an inner diameter of 3.575" and internal depth of 2" for a total depth of 5.125".

I will add another picture with the cup inside at a later time.
