### Summary

A simple and compact spool holder for the Prusa MINI! Uses M5 screws and T-nuts.

[3D Printers](#) > [Prusa Parts & Upgrades](#)

Tags: [spool](#) [mini](#) [spoolholder](#)

A spool holder to mount onto your Prusa MINI!

Requires (2) M5 screws and (2) M5 T-nuts for installation.

Takes up a small amount of vertical space on the right-hand side of the Prusa MINI's Z-axis extrusion.
