2.5D: 2D logo with additional height for some layers. To print this in colour you can simply pause your printer and switch out the filament at 1mm and 2mm by default.

The logo used is from **Overlord DVD**, a youtube channel denouncing the wrongs of hollywood and popculture in general. It is run by “Dicktor Van Doomcock”, a super villain that vows to be the futher rule of earth, you should go and pledge allegiance to him ^^.

While this model is free to use keep in mind that this logo isn't my property ((C) Copyright 2017-2024 by Dicktor Van Doomcock. All rights reserved.) and that you shoud ask “Dicktor Van Doomcock” (Overlord DVD) permission would you want to use it commercially.
