updated 3. 11. 2022 | published 3. 11. 2022

## Summary

I designed and printed this advent calendar for my girlfriend.

[Seasonal designs](#) > [Winter & Christmas & New Year's](#)

Tags: [adventcalendar](#) [thelegendofzelda](#) [triforce](#)

### Info:

- You'll need to print six of each lid. Half of it must be mirrored.
- Pull a piece of string through each hole and knot it.
