```
table { border: 1px solid #c4c7c5; border-radius: 4px; font-size: 16px; } th { padding: 18px 16px; text-align: left; } td { padding: 16px; border-top: 1px solid #c4c7c5; } .katex-mathml{ display: block; text-align: center; } .katex-html { display: none; }
```

The Nivea deodorant roller has a round cap, which means that when it's almost empty, it can't stand upside down. It works better to place an almost empty one upside down for a while and then roll it. Hence, this holder where you can place the roller upside down. 😊
