Introducing the Pokeball Pencil Cup, a delightful and functional addition to any desk for Pokémon fans! This 3D-printed accessory features the iconic Pokeball design with a white upper half and a red lower half, separated by a sleek black band. Measuring approximately 8 cm in diameter and height, it's perfectly sized to hold pencils, pens, and other desk essentials. Crafted in durable PLA or ABS plastic, the Pokeball Pencil Cup is not only a stylish nod to your favorite series but also a practical solution for keeping your workspace organized.
