## Summary

Honda NT1100 motorcycle steering stem nut cover

[Hobby & Makers](#) > [Automotive](#)

Tags: [nut](#) [cover](#) [honda](#) [motorcycle](#) [nt1100](#)

Cover for Honda NT1100 motorcycle steering stem nut.

3mf files exported from Fusion 360 and project files from Orca Slicer.

Both have a blank file and logo files. If you import F360 logo files to your slicer you have to align the logo yourself.

Recommended to use PETG or something better. Add more walls for more strength.
