### Beach Towel Holder & Travel Hook

This is a Beach Towel Holder that can also be used as an additional hook in your hotel room or your vacation home.

The beach towel can simply be clamped into the holder, which can then be pressed into the sand, the tooothing offers enough resistance to prevent it from being torn out in moderate winds. In addition, the top is rounded to prevent the risk of injury from accidentally stepping on it.

The hook can be used on doors, railings, shower rails etc. up to 25mm thick.
