Summary

This is a replacement lever arm part for a Samsung moveable ice maker.

[Household](#) > [Kitchen](#)

Tags: [ice](#) [refrigerator](#) [samsung](#) [lever](#) [freezer](#) [icemaker](#)

The part is very small so I recommend to print it with 3 or 4 perimeters and 100% infill

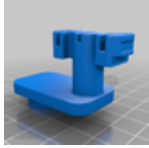

I prefer PETG because PLA is too brittle, specially at -21oC
