Tags: [beer](#) [cap](#) [beercap](#)

This is a simple but effective 3D Print to close up your 500ml Beer-Cans.

Protect your beverage from bees and other insects.

This model is specifically created for 500ml Beer-Cans with a diameter of 67mm.

I've also uploaded a few variations of this design to match different kinds of cans.

Commercial Usage

This model is free for personal usage (see license).

Please contact me if you intend to sell this design as a print or want other commercial usage.
