### Summary

Small and easy to print wall hook for Ryobi grass trimmer OLT1832

[Household](#) > [Outdoor & Garden](#)

Tags: [ryobi](#) [grasstrimmer](#)

A wall hook for the Ryobi OLT1832 grass trimmer.

I printed it with a 0.6 nozzle and 0.4mm layer height. I went for functionality over look.

Holes are made for 4-4.5mm screws.

Printed in about 30 minutes on my CR-10S.
