### Summary

A Wyze Pan Cam v3 mount that can be used on the top ledge of a window or shelf or where ever

[Household](#) > [Other House Equipment](#)

[pancamv3](#)

I modified the original model so that I could mount a Wyze Pan Cam v3 on the top edge of my window. Printed in PETG on my Bambulab P1P at .2mm layer height (took about 25min or so).
