updated 26. 7. 2024 | published 26. 7. 2024

## Summary

A better remodelled version of the first one i made

[3D Printers](#) > [Accessories](#)

This time i added the eyes as a separate part and made the bottom of the head flatter to print better, i need to learn how to make it hollow and to be able to divide it into preferably 10 parts (2 parts being the horns) will watch a tutorial, this is my second time ever modelling
