## Summary

A simple design of a cute pumpkin.

[Art & Design](#) > [Sculptures](#)

Tags: [halloween](#) [pumpkin](#) [figurine](#) [cute](#) [sculpture](#)  
[spooky](#) [simple](#)

The model is hollow inside, and may require support for the stem (I used tree support only for the stem part [not for the eyes] and the support is almost non-visible from the eye-hole). The bottom is flat for easy printing :>

Hope it fills you with spooooky vibes!

Dimensions: 49x51x48 [mm]
