### Summary

A Glow in the dark collar for tripod

[Hobby & Makers](#) > [Other Ideas](#)

Tags: [tripod](#) [photography](#) [glowinthedark](#) [cameraaccessory](#)

Hi!

I made this to attach to my tripod legs, to stop me kicking them accidentally. Sized to fit a 3 part Tripod from Giottos, should fit most, scaleable if not.

Requires 6x M4 threaded inserts and 6x M4 countersunk screws.

Printed in Copymaster 3D Glow PLA Filament

Layer:0.2mm

Infill: 20%
