updated 27. 7. 2024 | published 27. 7. 2024

### Summary

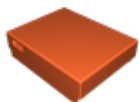

This case is designed for my CUSTOM Slime PCB. Keep that in mind.

Tags: [vr](#) [tracker](#) [vrchat](#) [slimevr](#)

I create my own PCB for SlimeVR so I also had to create my own case. I upload this in case someone needs some inspiration for his case or maybe just like to modify mine.
