Summary

Just a small shelf for some of your most important things to have them next to you

[Household](#) > [Bathroom](#)

Tags: [shelf](#) [stand](#) [tiles](#) [tesa](#) [powerstrip](#) [tesapowerstrips](#)

Just a small shelf for your bathroom or kitchen to store some things right next to you. Can be mounted with double sided adhesives, e.g. Tesa powerstrips.

The spot for the adhesives is 15x35mm and fits two Tesa powerstrips in size small. Overall size is 60x75x45mm (WxLxH).

Print instructions:

Infill: 20% gyroid

Layer height: 0.2mm

Print on side to have the angle printed with continuous layers for maximum stability. You may use support for cleaner roundings depending print speed and demanded quality.
