Post it stencil I designed inspired by this video I saw on Instagram. I could find 3D Printable files so I made them.

The print contains 4 files:

Post it Holder.stl: This is the base/Holder

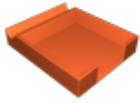

Checklist Stencil.stl: This is the Checklist Stencil

Calender Stencil has 2 parts:

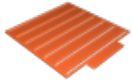

Calender Stencil Horizontal Lines.stl: Horizontal Lines for the Calender template

Calender Stencil Vertical Lines.stl: Vertical Lines for the Calender template

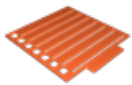

Model files
