Summary

Golf divot repair tool

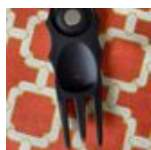

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [golf](#) [golfing](#)

A modification of Peter C's divot repair tool that eliminates the ball marker. Great for repairing marks on the golf green and keeping a smoother surface for other players.

Print with supports on and with the flattest portion facing down.

This remix is based on

Golf - Divot Repair Tool V2 with ball marker holder (exposed magnet)
