A simple model of a cute cake rabbit made by me following a tutorial by Above WongArt (https://youtu.be/tu_OWoiTJhl?si=mzLZImzV8WrSfDje).

The model was printed on BambuLab X1 Carbon with AMS using 3 colors only. Below you can find STL file as well as the 3mf file with 4 models ready for multicolor printing.

Hope you find this model delicious!

Dimensions: 55x66x65 [mm]
