

## Vinyl Record Wall Mount

VIEW VIDEO

updated 27. 7. 2024 | published 27. 7. 2024

### Summary

After a long time, I finally decided to make a wall mount for vinyl records. It's a simple and easy-to-make project that will look great in your living room or bedroom. The mount is made of wood and is designed to hold up to 10 records. It's a great way to display your collection and keep them safe from dust and damage.
