Summary

160x160mm vent cover

[Household](#) > [Outdoor & Garden](#)

Tags: [cover](#) [ventilation](#) [vent](#) [flaps](#) [ventilationgrill](#)

Wanted an exact replica of my broken vent cover so had to make it myself. Uses a slightly resized version of [@Citruspers](#) [[vent cover flap](#)] with my frame design.

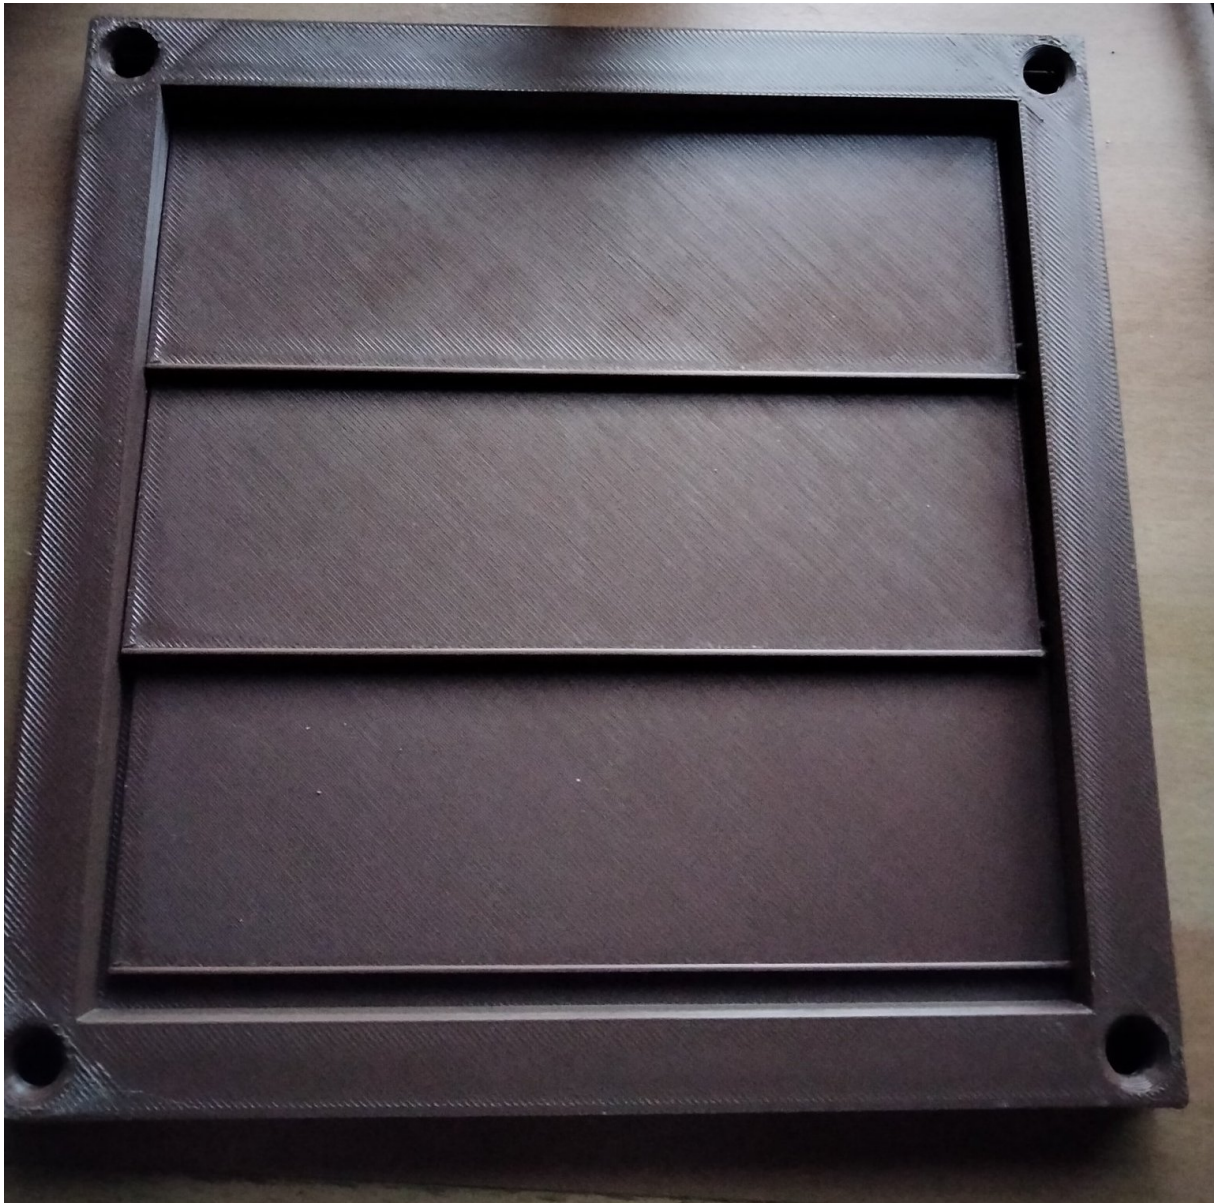

It is not 100% perfect but printed good enough for my use case.

Print settings:

Material: Overture ASA

Layer height: 0.25mm

Speed: Not sure I'm a newbie sorry! Check if print profile matches your needs before printing

This remix is based on

Cover for mechanical ventilation outlet/drier vent
