Summary

A little collection of triangle planters and trays

[Household](#) > [Home Decor](#)

Tags: [pot](#) [triangle](#) [planter](#)

Height of the planters:

Short - 30mm

Medium - 50mm

Tall - 70mm

Each side is about 70mm long

I made different planters and mostly trays so you could customize your own little indoor garden :D

Scale the models in your slicer depending on your plant size

Happy printing!
