Tags: [defcon](#) [sao](#) [madhatters](#) [badglife](#)

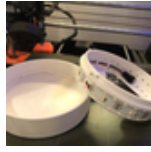

Printed in black PLA to help blend in with the badge. Custom colored hats were printed for the makers and others madder than a hatter. This adapter allows quick swapping of hats.

Badge adapter mounts to the badge with 3x M2 6MM screws and a plastic washer with each, screw them into the 3x M2 nuts that snap into the adapter (see photos).

Hat adapter mounts to the hat with 3x M2.3 6MM wood screws. Tighten until snug, do not over tighten (see photos).

See <https://madhatters.lol> for more info.
