updated 5. 8. 2024 | published 5. 8. 2024

Summary

Remix with an inlay for a generic brand pliers. The gridfinity stackable 2x4x3 container is also provided

[Hobby & Makers](#) > [Tools](#)

Tags: [holder](#) [pliers](#) [toolholder](#) [pliersholder](#) [cutters](#)
[gridfinity](#)

A stackable Gridfinity Container with an Inlay to store different versions of cable cutting pliers.

It is designed as two parts, so that the container can be used normal, or with the inlays of [Layer Cake](#).

This remix is based on

Gridfinity Knipex Super Knips Stackable 2x4x3 Container

by [LayerCake](#)
