Summary

replacement for the tip of the plastic spring clamps more exactly the Impact ABS 4.5" Medium Spring Clamps

[Hobby & Makers](#) > [Mechanical Parts](#)

Tags: [clamp](#) [springclamp](#)

one of the clamp pads of my clamps broke and I couldn't get to the store that day so I modeled the part that was fine and it worked
These are pretty cheap I think the clamps are only like 10 bucks a pack of 10 but didn't want to waste a working clamp so made this
I printed with ABS but petg or PLA should also work
