Summary

Rotating Bowl with integrated space for leftover nutshells or paper

[Household](#) > [Living Room](#)

Tags: [box](#) [nut](#) [animal](#) [bowl](#) [candy](#) [snack](#)

Rotating pistaccio bowl.

All printed with 2-3 walls and 15% Infill. Bowl needs good colling because of the step overhangs but are printable without supports.

Printed with 0.6 nozzle in ASA.

Credit for the original design of the tentacle goes to BiduMadio
