Colosseum

This is a full version of the Colosseum, unlike many available broken versions. The model requires supports, which can be removed with minimal effort.

Two versions are provided: one split into four pieces and another as a single piece.

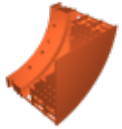

Includes precise slots for 4mm diameter, 2mm thickness magnets for the split version.

Note: 48% fits fully on 250 X 250 x 250 mm with tree supports.
